Fees:

New Installation	\$60.00
Replacement	\$30.00

Information Needed:

- ✓ Building Permit Number
- ✓ Replacements (Need: tax parcel number or physical address/owners name, phone number, & address/directions to the property)

*** All home owners obtaining their own permits take full & complete responsibility for the work done & must reside at the premises for at least 1 year following the completion of the construction. Additionally, all dwellings must not be intended to be sold, rented or leased.**

For Additional Information Contact the Brunswick County Central Permitting Office at (910)253-2055 or (800) 621-0609.

COMPLETION

In order to obtain final electrical power and certificate of compliance\ occupancy on a completed residence, there must be a completion of each phase of construction from the Building and Electrical Inspector and a certificate of completion on the septic system.

INSPECTIONS

Code Enforcement Officials are to provide inspection services based upon the N. C. Building Code. Plans and Specifications are to be used as a guide, but the written text shall prevail.

Schedule an inspection the day before one is needed. To schedule an inspection contact the Building Inspection Department at the numbers below. No persons may occupy any dwelling until a Certificate of Occupancy has been issued.

Inspections can be requested online at www.brunasco.net or called in to the Building Inspection's Dept. at 910/253-2050 or 800/822-5986.

For inspections, building, plumbing, mechanical and/or electrical code questions please call the Building Inspection's Department at 910/253-2050 or 800/822-5986.
